Hi Donny,

On behalf of the Catoctin 50k Trail Run race management and all the runners we would like to thank you for the use of the Blue Trail with this total donation of **\$1,015**. With the demise of Quail Unlimited I've written two checks. The first check (\$507.50) is for "Washington County Weed Control" to control invasive weeds in the Frederick Watershed. The second check (\$507.50) is for the "Hicksville Planning Mill" for western cedar lumber for bird boxes.

Next year it's the desire of me and the runners that all of our donation go directly to trail maintenance of some sort within the Frederick Watershed.

As in the past, a portion of every entry is donated to the park (\$525 total). In addition to that, there are a number of runners who made individual donations to the maintenance of the park (\$1,505 total). Their names are listed on the following pages. Total donations were split between the "*Friends of Gambrill and Cunningham State Park*" and the entities listed above for the use of the Frederick Watershed.

Once again we thank you for the use of the watershed and look forward to using it again on July 26, 2014.

Sincerely,

Kevin Sayers (Race Director)
